

PROVIDING FOR CONSIDERATION OF H.R. 2965, FEDERAL
PRISON INDUSTRIES COMPETITION IN CONTRACTING
ACT OF 2006

SEPTEMBER 12, 2006.—Referred to the House Calendar and ordered to be printed

Mr. GINGREY, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 997]

The Committee on Rules, having had under consideration House Resolution 997, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of H.R. 2965, the Federal Prison Industries Competition in Contracting Act of 2006, under a structured rule. The rule provides one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on the Judiciary. The rule waives all points of order against consideration of the bill.

The rule provides that the amendment in the nature of a substitute recommended by the Committee on the Judiciary now printed in the bill shall be considered as an original bill for the purpose of amendment and shall be considered as read.

The rule makes in order only those amendments printed in this report. The rule provides that the amendments made in order may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The rule waives all points of order against the amendments printed in this report.

Finally, the rule provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill is necessary because the report of the Committee on the Judiciary (H. Rept. 109–591) accompanying the bill did not contain a cost estimate by the Congressional Budget Office (CBO), as required by clause 3 of rule XIII. It is the understanding of the Committee on Rules that the Committee on the Judiciary will cause the CBO cost estimate to be printed in the Congressional Record dated Tuesday, September 12, 2006.

SUMMARY OF AMENDMENTS MADE IN ORDER

1. Sensenbrenner (WI): Manager’s Amendment. Modifies 13 dates in various provisions of the bill to reflect the passage of time since the bill’s introduction, which were not modified during the Committee’s consideration. Also corrects one sectional cross reference and a reference to an Executive Branch agency. Adds a provision explicitly requiring Federal Prison Industries (FPI) to establish a cost accounting system which was implicit in, and necessary to implement, the amendment by Rep. Issa which was adopted during Judiciary Committee consideration of the bill. Also makes a grammatical correction to the Issa amendment. (10 minutes)

2. Scott, Robert (VA): Allows the Attorney General to direct agencies within the Department of Justice to award individual contracts to Federal Prison Industries (FPI) on a non-competitive basis. (10 minutes)

3. Lungren (CA)/Chabot (OH)/Scott, Robert (VA): Postpones the scheduled phase out of mandatory source for one year if the percentage of inmates employed by Federal Prison Industries (FPI) falls below 17%. Also requires the Attorney General to study ways to increase participation in FPI if participation in FPI falls below 17%. (10 minutes)

4. Cuellar (TX): Requires inmates performing work for the Federal Prison Industries (FPI) to contribute a portion of their earnings to living expenses. (10 minutes)

5. Scott, Robert (VA): Allows Federal Prison Industries (FPI) to continue service contracts of the nature and to the extent it was doing so on the date of enactment of the bill. (10 minutes)
